LANGUAGES

PROFESSIONAL SUMMARY

Results-driven Senior SEO Specialist with over 3 years of experience across Programmatic SEO, technical SEO, content strategy, semantic architecture, and web analytics. Proven track record in optimizing international platforms, implementing AI-driven Search Engine Optimization (GEO/AEO), executing technical audits, and building web solutions. Skilled in combining SEO expertise with full-stack web development principles to maximize domain authority and organic growth. Explore my featured projects in my [Portfolio ↗](#).

WORK EXPERIENCE

SEO Specialist | [Penguin-team](#)

Dec 2025 – Present

Dnipro (Remote) • Marketing & Advertising • Company size: 100-300

- Strategic Planning & Architecture:** Developed end-to-end SEO strategies, semantic keyword clustering, and scalable site architectures for international target markets.
- AI SEO & Content Optimization:** Implemented modern AI-based strategies (AEO / GEO) to maximize brand presence across AI search platforms (ChatGPT, Perplexity, Google AI Overviews). Created detailed technical specifications for copywriters.
- Technical SEO & UX Audits:** Conducted comprehensive technical audits (Screaming Frog, GSC, Ahrefs), site speed optimizations, and UX/UI audits targeting checkout flow and navigation.
- Link Building Management:** Conducted competitor backlink profile analysis, donor domain selection (DR/Traffic criteria), and managed outreach campaigns.
- Web Analytics & Reporting:** Maintained and validated GA4 setups; designed interactive monthly client dashboards in Looker Studio with strategic roadmaps.

Programmatic SEO Specialist | [Claryfi](#)

Feb 2025 – Jun 2025

Varna • IT Services • Company size: 300+

- Programmatic SEO & Bulk Page Generation:** Built scalable systems for generating, formatting, and optimizing thousands of multilingual webpages.
- Meta Tag Automation:** Automated creation of unique meta tags (titles, descriptions) at scale using AI tools, JSON, and Google Sheets.
- Data Extraction & Scripting:** Utilized Node.js and Google Sheets automation to extract data, manage content, and populate page templates efficiently.
- Performance Monitoring:** Tracked programmatic page performance using Google Search Console, Ahrefs, and SE Ranking.

Webmaster & SEO Specialist | [Freelance](#)

Aug 2023 – Dec 2024

Kyiv • IT & Web Development

- Designed and developed customized websites for local businesses using HTML, CSS, and JavaScript.
- Technical Optimization:** Identified duplicate content issues via Screaming Frog and wrote custom canonical/redirect rules; audited PageSpeed Insights and Schema microdata (Rich Results); optimized sitemaps and robots.txt.
- Semantics & Link Building:** Built clustered semantic cores using Google Ads and Ahrefs; evaluated competitor link profiles and acquired quality backlinks.

SEO Specialist | [Dila](#)

Jul 2023 – Aug 2023
